

Their Royal Highnesses Crown Prince Alexander and Crown Princess Katherine, since they came back to live in Serbia in 2001, have been helping the children of Serbia and Republic of Srpska. Every year for Easter, the HRH Crown Princess Katherine Foundation collects gifts for orphans and children with special needs from all over Serbia and the Republic of Srpska, to be delivered at the traditional Easter receptions at the White Palace for more than 1000 children of all ages.

To make this possible, we call upon you to follow your heart, to bring happiness and joy to the children in need this Easter. Provide them with much-needed clothes, food, and toys. We will all feel a lot better knowing that nothing can ever stop us from making a difference in the life of these children. Bring back a smile on their faces and give them the feeling of joy, knowing they have never been forgotten. Your generous donation is very important and much appreciated by the children of Serbia and the Republic of Srpska.
