SPREAD CHRISTMAS JOY BY GIVING – HELP THE CHILDREN OF SERBIA FEEL THE WARMTH OF LOVE AND KINDNESS THIS HOLIDAY SEASON

HRH Crown Princess Katherine Foundation is collecting gifts for children without parental care, children with special needs, Roma children, and socially vulnerable children from all over Serbia and Republika Srpska to be delivered at the traditional Christmas receptions at the White Palace.

More than 1,000 children of all ages will gather to celebrate the spirit of Christmas together.

To make this possible, we call upon you to open your heart and share the joy of giving. Your donation of toys, clothes, sweets, or other gifts will bring happiness and hope to those who need it the most.

Together, we can make sure that every child feels loved, remembered, and filled with Christmas cheer.

Your generous support is deeply appreciated and will bring smiles to many little faces this Christmas.
